To Whom It May Concern:

Brown County is not a zoned county. However, I believe that the City of Hiawatha, the City of Horton and the City of Sabetha do have their own restrictions. If you plan to work within a 3-mile radius of these cities, I would recommend that you contact them. Some of the 3rd class cities and townships may also have policies.

If you have any further questions please feel free to contact my office at 785-742-2581 or dawn@brcoks.org. We will be happy to assist you.

Sincerely,

Dawn M. Boyles
Brown County Clerk
